1. General Plan Update. The group may or may not take a formal action. <http://www.sdcounty.ca.gov/dplu/gpupdate/index.html>. General Plan GP2020 is allowing comments through August 19, 2009. J. Bugbee expressed her concern regarding the housing component controlled by Design Review. In her opinion the criteria is to limiting on what people can do. Everything is very bland. It was noted that the old Albertson's Market site has been totally rebuilt and is very unique based on a waiver from Design Review. The Baptist Church on Woodside is being renovated and also received a waiver from Design Review.
2. Park Land Dedication Ordinance (PLDO) priority list review and recommendation. Two projects were on the list for consideration when funds become available: The half Basket Ball Court and the Skate Board Park. A motion by A. Botter, seconded by P. Sprecco, was made to support the Skate Board Park as the number one priority once the proponents develop and present a plan for review. The proponents meet at the Elks Club on Woodside the 2<sup>nd</sup> Tuesday of each month. Motion Passed. (12-0-0-3).
